Subject: Product discontinuation for S-Mount Lenses M125025 IR/WM and N118B05518 IR/WM

Reasons for discontinuation:

After several years of selling these S-Mount lenses, the manufacturer Evetar has discontinued the models listed below.

Therefore, we have to discontinue the lenses as well. We managed to stock a certain amount to serve the Last Time Buy demands of our customers.

The availability of each lens is based on the remaining stock. Therefore, we kindly ask you to place your Last Time Buy orders as early as possible.

We understand the challenges this discontinuation causes and will do our best to guide our customers along the way.
