Subject: Notice of Product Discontinuation

We would like to take this opportunity to extend our appreciation for the business relationship between our companies and your continuous support to our organization. We hereby notify you that we have decided to discontinue the production of the chip type aluminum electrolytic capacitors' series listed in the table below. Please refer to the details of discontinuance of the production as advised which includes recommended replacement series when available. We would appreciate your understanding and acceptance in this matter.

1. Subject series of production discontinuance

No	Discontinued Series			Recommended Substitution Series
	Series	Outline	Discontinued Rated	
1	UWS	85°C 2000h Life	All	UUR (Special design)
2	UWX	85°C 2000h Life	0.1~0.47μF	—
3	UWJ	85°C 2000h Life	0.1~0.47μF	—
4	UWT	105°C 1000h Life	0.1~0.47μF	—
5	UWZ	105°C 1000h Life	0.1~0.47μF	—
6	UUT	105°C 2000h Life	0.1~0.47μF	—
7	UUA	105°C 3000h Life	0.1~0.47μF	—
8	UUL	105°C 5000h Life	0.1~0.47μF	—

2. Schedule for discontinuation of production

The production of the subject series is scheduled to be discontinued on March 31, 2017. Our last acceptance of orders will be on January 31, 2017. We apologize for any inconvenience and appreciate your cooperation by working with your Nichicon sales contact to provide the quantities needed to support your upcoming production demands based on the above cutoff dates. Otherwise, it would be appreciated if you would select parts from the suggested replacement series listed above. A customized-design part may also be available upon your request.

Sincerely yours,

Nichicon Corporation
