Re: Customer Change Notice:
SMD 3030 Packaging Change

Ref: CCN-04122018-Packaging Change

This is a Customer Change Notice (CCN) for SMD3030 products.

Bridgelux will change the SMD3030 packaging in new production starting April 16, 2018. The MOQs will not be impacted by this change, but the SPI will be changed from 5K pieces to 10K pieces.

New Packaging:

Old Packaging:

The introduction of the new SMD 3030 packaging trays have no impact to the fit, function, and operating performance or part numbers for the listed LED light sources.

If you have any questions regarding the new SMD3030 packaging trays, please contact your Bridgelux representative.

Sincerely,

Product Management

Bridgelux
