INFORMATION NOTE

N° 055/20

Removal of label on tube affecting TO packages from legacy IR and packed at all subcon partners

► **Products affected:**

Please refer to attached affected product list 1_cip05520

► **Detailed Change Information:**

Subject: Standardization of legacy IR products with Infineon Technologies (IFX) packing.

- Reason:**
- This change will apply to all IFX subcon partners. However, parts coming from Rectificadores Internacionales, S.A. de C.V., Tijuana , Mexico (IRMX) will continue to have the tube label.
 - This will be implemented in multiple phase as subcon partners implement the change in their manufacturing facilities.
 - During this duration, there will be situation that customers will receive shipments with and without labels as we cannot remove all labels in all existing inventories.

Description:

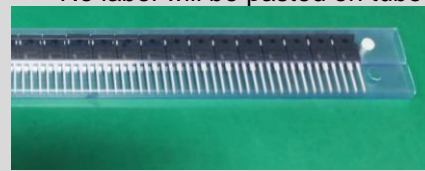

Old

- Individual tube label

New

- No label will be pasted on tube

► **Product Identification:**

Identification available on Barcode Product Label (BPL) on outer packing

► **Impact of Change:**

Infineon does not see any negative impact on quality, function and reliability as it is only standardization of packing.

► **Attachments:**

Affected product list 1_cip05520.xlsx

► **Intended start of delivery:**

24-06-2020

Note: Mixture of product with and without label after implementation, depending on inventory.

If you have any questions, please do not hesitate to contact your local Sales office.
