

Product Change Notification (PCN)

PCN Number	510998	Date Issued	October 22, 2021
Reason for Change	Change Supplier		
Change Type Description	This letter is to inform you that Molex is adding a new supplier or the supplier is making a change affecting the part(s) identified in this notice. There will be no negative impact to product performance as a result of this change.		
Reason for Short Notice	Special Request		
Assessment of Change	Product will be fully qualified before it is shipped. Qualification reports will be available after below listed date		
Internal Molex Qualification Date	October 25, 2021		
Sample Availability Date (Changed Part)	October 25, 2021		
Planned Implementation Date	October 31, 2021		
Method of Identifying Change	Date code		

RELEASED

After Change

Overview

- 2021 has caused a global shortage for various grades of resin. This extraordinary event, in conjunction with an already constrained market, has caused immediate and severe disruption in the industry. Due to these supply constraints of LCP marketing, Molex identified an internal shortage of resin supply which would create a challenge to fulfill all orders. Therefore, an alternative resin has been identified for relative product.
- Molex evaluate and select the same type alternative resin with current resin material. Molex team will take necessary qualification action on new source material to ensure the same performance on Molex product. Considering the necessary qualification and same type resin, Molex supposes this should be no risk on product.
- **Product Impact**
 - "no impact to fit, form, function".
- **Part Number Impact**
 - see attached impacted parts list
- **Planned Implementation date.**
 - In order to ensure supply continuity, Molex will gradually start to use of new materials according to the sequence of verification completed. It is expected to gradually switch from October to December on different products.

Product Change Notification (PCN)
