Subject: Schweitzer 381LX682M063A042 AND 381LX682M063A042A

Hello,

The 381LX682M063A042 is still available and is an active part. The 381LX682M063A042A is currently on engineering hold since this part is undergoing a factory location change and will be up for available for factory production around end of March, mid-April timeframe.

If you have any questions please let me know.

Thanks and regards,
