# HARTING Product Change Notification

PCN

**Business Unit:** Electric

**PCN/18/005/C+N**

**Product range:** Han / Han-Modular

**Date:** 2018-04-04

**Author:** Heinz-Guenter Spreen

**Title:** Han Coax ETCS screw lock - External

## Details of Product Changes

### 1. Concerned part number:

09150016101	09150016201
09150016102	09150016202
09150016111	09150016211
09150016112	09150016212

### 2. Description of changes / news:

The crimp sleeve of the Han® Coax ETCS contact will get a modified screw lock. The current green screw lock will be changed to a new yellow screw lock.

Crimp sleeve with old screw lock

Crimp sleeve with new screw lock

### 3. Impact on product specification:

This change has no impact on the application as the screw lock function remains unchanged.  
The new screw lock has got the advantage that the assembly torque (crimp sleeve into contact) can be reduced from 6 Nm down to 3 Nm.

### 4. Scheduled date of implementation:

May 2018

### 5. Identification of change:

The revision level will be updated from 00 to 01 for all affected items.
