**Discontinuation notice of production for Dielectric Patch Antenna**

First, we would like to thank you for your continued support of TDK-EPC products.  
This letter has been sent to notify your company that TDK-EPC Corporation will discontinue the manufacturing of certain products which we currently ship to you.  
Due to product profitability, discontinuation and consolidation TDK-EPC has decided to cease manufacturing the products listed below.  
In the chart listed below you will find three columns of information including you part number, the current TDK-EPC part number of the end-of-life products, as well as a cross-reference or TDK-EPC part number recommended as alternative product wherever we are able to provide them.

We regret to inform you of this discontinuation as this was a carefully considered business decision,  
we do however ask that you considering using TDK-EPC's alternative product recommendation wherever possible.  
If there is no alternative TDK-EPC product available, unfortunately, we must ask you to look into other sources in the market.
