Dear Valued Customer,

This notice is to inform you of changes affecting item(s) that you have purchased from Littelfuse.

***Description of the Change:***

- The following products will now feature laser-etched part numbers and date codes: PL-524-AC, PL-524-GC, and PL-524-RC. These products are also used in retail-packaged products PL-524-AC-BX, PL-524-GC-BX, and PL-524-RC-BX.

***Reason for The Change:***

- These products previously featured a flag label, which was prone to losing adhesion with age.

***Effective Date of the Change:***

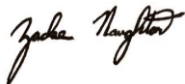

- This is effective immediately; open orders will require fulfillment utilizing this new label style.

***What You Need to Do:***

- As this will occur as a running change, supply will not be disrupted, and no action is required.

If you have any questions, please feel free to contact your Littelfuse Customer Service Representative or your Inside Sales Representative. We appreciate your business and our continued partnership.
