Subject: Product Discontinuation Notification # 120822-01
Product reference: Selected Power Management Products - SP6330

To whom it may concern,

This is notification that the part numbers listed below have been discontinued by Exar Corporation. Combined with low market demand for these references, technical manufacturing difficulties prevent continued availability and support.

While functional equivalents may exist, alternative candidates can only be provided with specific information on design and implementation. Please contact Exar with details for further review and evaluation.
