PDN 148830: Product Discontinuance Notice - MT90869AG, ZL30121GGGV2, ZL50030GAC and ZL50074GAC

Description:

Microsemi is announcing the discontinuance of the following Pb-containing products:

- MT90869AG
- ZL30121GGGV2
- ZL50030GAC
- ZL50074GAC

Reason for Discontinuance:

The decision to discontinue these products was driven by diminished demand and low forecast volumes. The listed Pb-containing products are also affected by RoHS Pb exemptions which are expiring soon.

Customer Impact:

These devices are being removed from Microsemi’s product offering and will no longer be available for order after August 15, 2014.

The silicon die of the replacement parts are identical to those in the Pb-containing packaged parts, and there is no difference in function.

There is a limited inventory of these parts, so orders will be taken on a first-come, first-served basis. Orders for these products will be non-cancelable and non-returnable. Please contact your local Microsemi Sales Office for information regarding conversion to alternate parts.

Replacement Parts:

Refer to the following table for the replacement parts:

| <u>Pb-containing</u> | <u>Pb-free replacement</u> |
|----------------------|----------------------------|
| MT90869AG | MT90869AG2 |
| ZL30121GGGV2 | ZL30121GGG2V2 |
| ZL50030GAC | ZL50030GAG2 |
| ZL50074GAC | ZL50074GAG2 |

Last Order Date: August 15, 2014

A last time order is in effect until August 15, 2014.

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than August 15, 2014. No new orders will be accepted after this date. Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

Last Shipment Date: February 13, 2015

Deliveries can be scheduled up to February 13, 2015

Please note that Microsemi will continue to ship last-time-buy orders as requested only through February 13, 2015. Product orders must be scheduled to ship no later than this date.
